

HUNTING

Listed below are several safety tips to make hunting an enjoyable experience that you'll live to do again and again:

- 🎯 Treat every gun as if loaded.
- 🎯 Always maintain muzzle control of your firearms; keep the barrel pointed in a safe direction away from other people.
- 🎯 Never carry a loaded firearm in a vehicle.
- 🎯 Do not shoot your firearm in the direction of buildings or populated areas to include livestock.
- 🎯 Always be sure of your target, do not shoot at noises in the brush, it could be your hunting buddy.
- 🎯 Wear hunter orange out in the field, check your local state hunting regulations for the requirements.
- 🎯 Dress for extreme weather conditions, it is usually raining or snowing during hunting season, so be prepared.
- 🎯 Have a basic survival kit with you.
- 🎯 If possible use the buddy system and hunt with a partner.
